

ANN GLAZE

FOR LONDON CHAIR

ORGANISE. CONNECT. WIN

Ann GLAZE
(nee Gripper)

1

The next two years represent a **huge opportunity** for real gains for the Liberal Democrats in London. We cannot let that slip. As chair my priority will be **getting Lib Dems elected** to City Hall in 2021 and to borough councils in 2022.

London region needs a chair who **supports local parties** to deliver those votes year after year. We have **brilliant candidates** who can make London a better place. Let's work together to win. Please vote for me as your **first preference for chair**.

AS LONDON CHAIR I WILL:

- Keep a laser focus on election success in 2021 and 2022
- Make digital campaigning a core part of our strategy
- Connect local parties and members to build our collective strength and skills
- Ensure we are engaging with all of London's diverse communities to build for long term success

YOUR NUMBER ONE CHOICE

- **Organiser:** London vice chair (convenes diversity outreach workshops supporting local parties' engagement with black, Asian and minority ethnic communities); Lib Dem Women vice chair (launched newsletter; prioritised member events); former Lambeth vice chair
- **Communicator:** Digital journalist on national news website; runs London region's social media
- **Winner:** Helped win two parliamentary seats last year as digital campaigning lead in Richmond and Twickenham; London digital lead for European elections

MUNIRA WILSON MP

"Ann was a powerhouse in my general election campaign. Every local party and candidate would benefit from having Ann on their team. Make her London region chair and that's exactly what you'll get."
